NEWS RELEASE

VAPETRONIX ENTERS INTO EXCLUSIVE DISTRIBUTION AGREEMENT & ENERGY E-CIGS READY FOR DEPLOYMENT

September 15, 2015 - Vancouver, British Columbia – **Chlormet Technologies Inc.** (“Chlormet” or the “Company”) (CSE: PUF) (Frankfurt: HR2P) (OTCPK: CHLMF) is pleased to announce that it has successfully completed its first production run of the newly introduced 1313 Energy Slim e-cigarette (see news release dated September 1, 2015).

Product has landed in both Toronto and Vancouver where it will be placed with selective retailers and potential distribution partners. The 1313 Energy is also available for purchase online at www.1313cigs.com.

Further, it is anticipated that the Company will also introduce this new product to the US market, initially in Texas, as per the below exclusive distribution agreement.

“We are proud of our new product line and are pleased that the initial response has been very strong. We look forward to rolling out the 1313 Energy Slim line to the marketplace” stated Mr. Derek Ivany, Managing Director of VapeTronix.

Exclusive Distribution Agreement

In an effort to further expand its sales channel capacity, VapeTronix is pleased to announce that it has entered into an exclusive agreement with E-Cigarette Distributors of Dallas (DBA), Texas. The Company plans to utilize this distribution agreement to introduce the 1313 Energy Slim line as well as new products in the future. E-Cigarette Distributors has access to 40 retailers across the State of Texas.

About Chlormet Technologies

Chlormet Technologies Inc. is moving into the Medical Marijuana sector by purchasing a 100% interest in AAA Heidelberg, a private Ontario company that is in the process of applying for a MMPR license. Although the Company cannot guarantee nor estimate the timing for the issuance of a license to AAA Heidelberg, it is Chlormet’s goal to become the next publicly traded Canadian company to be granted a new medical marijuana production license.

VapeTronix, a wholly owned subsidiary of the Company is in the process of expanding its 1313 brand of electronic cigarettes and associated technologies.

With the purchase of the property in Whatcom County, WA, the company plans on generating revenues via long term leases to tenants.
