VapeTronix achieves revenue milestone – records sales of \$146,000 in last 30 days

January 25, 2016 - Vancouver, British Columbia – PUF Ventures Inc. (“PUF” or the “Company”) (CSE: PUF) (Frankfurt: PU3) (OTCPK: CHLMF) is pleased to announce that it has achieved a milestone by booking revenue of \$146,000 CDN for its e-cigarette products and branding solutions within the last 30 days via its wholly owned subsidiary VapeTronix. The Company has booked all orders to date and is working on product delivery.

Over the past 6 months the Company has worked diligently on executing and fulfilling its sales pipeline channel opportunities. “We are pleased to see our efforts come to fruition,” stated Yari Nieken, President and CEO of PUF. “The sales cycle can be lengthy but we remain confident in our corporate development strategy and ability to execute.” Ongoing corporate development initiatives include the pilot run of its E-Juice and 1313 Energy Slim line in Dallas, Texas, various retail distribution proposals, and discussions with strategic partners regarding e-commerce opportunities involving the newly launched WEEDbeacon.com platform. “This is only the beginning of what could be an extremely exciting year for PUF and our shareholders. Demand for our product has grown tremendously in a short period of time so we’re excited to see how quickly it can grow over the coming quarters. Our VapeTronix line is only one of several avenues that can bring value for our shareholders and that’s what makes PUF one of the most exciting companies in the cannabis space. As our sales continue to increase, we look forward to updating the market.”

About PUF Ventures Inc.:

VapeTronix, a wholly owned subsidiary of the Company is in the process of expanding its 1313 brand of electronic cigarettes and associated technologies.

Chlormet Technologies, Inc. is also moving into the Medical Marijuana sector by purchasing a 100% interest in AAA Heidelberg, a private Ontario company that is in the process of applying for a MMPR license. Although the Company cannot guarantee nor estimate the timing for the issuance of a license to AAA Heidelberg, it is the Company’s goal to become the next publicly traded Canadian company to be granted a new medical marijuana production license.

With the purchase of the property in Whatcom County, WA, the company plans on generating revenues via long-term leases to tenants.
